

Motorplus Insurance Plan

Motorplus Insurance Plan

Motorplus Insurance Plan provides comprehensive protection for car owners. In addition to the basic protection for own damage of your motor car and your legal liability, it also provides you many features of free benefits.

NCD protection

No matter how many claims you make, if the total amount claimed within one policy year is less than HKD50,000, you will keep your existing No Claim Discount (NCD). This will add up to great savings over the years!

Front windscreen excess waiver

You know the usual story - your front windscreen is so easily broken, yet it is not covered because it is below the excess limit. But with Motorplus Insurance Plan, front windscreen replacement is covered with no excess for the first HKD4,000 and your NCD will not be affected.

New for old compensation

You know that as soon as you use your brand new vehicle, it normally depreciates by 15% - 20%. Now, in a revolutionary move, Motorplus Insurance Plan provides 100% compensation for vehicles less than one year old. If the car is stolen or involved in an accident causing it to be written off, a new car of the same make and model will be given as compensation. This saves you thousands of dollars.*

* Conditions apply
